Privacy Policy & Cookies

We take safeguarding online privacy seriously and we do not collect information from visitors to this site, except for the purpose of recording the number of visitors, the pages viewed and the search terms used. Such information is not transmitted or shared with any other person or organization. If you send us an email containing personal or sensitive information we will not share it with any other person or organization without your express consent and only for the purpose of facilitating your requested contact with a qualified lawyer. We will not associate your personal or sensitive data with your I.P. Address.

If we have sent you an email, it will be in response to your advertised email address on a legal directory, other directory or because you have offered a service in a field of activity associated with our business. We are committed to following data protection principles.

If you believe that we should not have contacted you please contact The Head of Chambers by writing to Jamie Hill QC Fountain Chambers, Cleveland Business Centre, Watson Street, Middlesbrough TS1...
